

Cotswold Hunt News Item July 2001

Compton Abdale Village Fête enjoyed a number of our hounds, thanks to Nick Smaile. It's times like these when it's so opportune to include hounds. It immediately provokes an interest and enables members of the public, who might otherwise never be close to hounds, the chance to 'get in' and ask questions. Thank you to Nick and everyone who organised. Well worthwhile to bear in mind if there is a similar event being run close to you.
