

Cotswold Hunt News Item July 2001

Our Puppy Show was held on the 6th July and with everything looking immaculate the weather once again smiled upon us. Capt. S. Clarke and Mr J. Williams judged hounds (5 couple of doghounds and 9½ couple of bitches) and everyone agreed how well Julian had them looking and how well they showed themselves. It was particularly nice to see so many people again after so many events had been cancelled due to foot & mouth disease. Joint Master, Mrs Brickell, thanked all the puppy walkers for doing such a wonderful job with their puppies and then went on to thank the farmers and landowners for having us, last season, under such wet conditions. Everyone was then invited to a wonderful tea, which was provided by the ladies of the Hunt.
