

Cotswold Hunt News Item

August 2001

The Non-hunting Opening Meet was held at Soundborough and attracted a good number of followers on a day with glorious sunshine. Scent would have been awful !! Everyone was heartened to be out with friends and hounds again. This was followed by a Hunt 'Brunch', which rounded the whole Meet off beautifully.

The Race Evening with Robin Page was well attended, with bidders for horse ownership as well as the 'Tote'. All proceeds (£1,500 was raised) were for the Countryside Alliance and everyone got into the spirit. Robin helped us all let off a little steam against our un-listening government, with his forthright speaking. Thank you Robin it was a great evening.

The Dressage and Combined Training Event was held at New Barn Farm Chedworth, by the kind permission of Mr & Mrs J R Lane Fox, at the end of September. Having started with torrential rain, as the lorry park started to fill, the clouds cleared and the sun shone. Hot and cold refreshments were supplied by the Hunt Supporters and a thoroughly good day was had! The editor hears that there were a few problems leaving the lorry park at the end of the day (a legacy from the early rain).
